Irsin

VIEW SOURCE

This fan-fiction article, **Irsin**, was written by [Witcher190](#). Please do not edit this fiction without the writer's permission.

Irsin was a witcheress of the [School of the Wolf](#) given to the Wolves as a gesture of goodwill by the Owls after their losses in the First Witcher Tournament. Of unknown origins, due to her features, she is thought to have been a native of [Heluland](#).

Trivia

- The portrait of Irsin, belongs to one of the avatars of the mobile video game *The Witcher: Monster Slayer*. Edited a bit to make it look better. The intention was to give to the avatars the game a bit of background in the world of The Witcher.
